revive

A better way to cover prescriptions.

Claims avoided, not discounted.

Every prescription filled through Revive saves an average of $25 in claims, and the reason is simple: **your plan never sees the claim at all. There's no bill to discount.**

Same medications.
Predictable costs.

Employees receive their prescribed medications promptly, reducing barriers to adherence and improving health outcomes, while employers keep overall healthcare costs in check.

Guaranteed Savings + Transparent pricing + Seamless Delivery

How it works.

01
Search coverage.
Employees log in to the member portal and search medications to check coverage.

02
Transfer or prescribe.
Prescriptions can be transferred by employees or added by a Revive provider for new medications.

03
Delivered at no cost.
Medications are delivered to employees' homes at no additional cost.

04
Monthly shipments.
One complimentary shipment per month, with 30, 60 and 90-day supplies for fewer refills.

Revive's Pharmacy carries generic versions of formulary medications at no cost to employees. Additional shipments may incur a charge.
