## Real members seeing real impact through their journey with us

"My PCP moved out of state and I can't find another in the area currently taking new patients. This saved me by renewing my daily meds."

"Portal was easy to navigate, doctor was professional and kind. Had my medication same day and was able to get started on a weekend instead of waiting until Monday to seek treatment. Very happy with this service."

"This appointment was very stress free. It saved me so much time in an already very busy day"

"Every physician I have dealt with has been extremely nice, caring, and helpful"

**"Wonderful, as a busy teacher and mom this helped me so much!"**
