4. Enter your family member's or dependent's information and select **'SAVE'** at the bottom of the page.

Notes

TOTAL DEPENDENTS

You are eligible to add up to 6 dependents (child, adult child, partner, spouse).

ADDING DEPENDENTS OVER 18

For any member added over the age of 18, a separate email will need to be used to create their profile. They will then receive a welcome email, prompting them to complete their enrollment and head to their member portal. You will not be able to see this members personal health information and account information.
