prescriptions explainer.

Getting started

We're excited for you to experience the new standard in healthcare and selfcare, and have a few tips to get you set up for success.

As a reminder, you have over 1,000 generic maintenance medications available via home delivery, and over 70 of the most commonly prescribed urgent care medications at over 64,000 pharmacies.

First, let's ensure your medication is covered. To use the medication formulary, make sure you're logged into your portal.

Member Portal

Complete Formulary

If your medication is not covered on our formulary, our discount card ensures affordability for controlled substances and brand-name medications, offering significant savings. Available at 64,000+ pharmacies nationwide.

customer care.
