revive

Mental health support people actually use.

Your employees deserve more than a traditional EAP.

Accessible, personalized support that meets employees wherever they are, from everyday emotional well-being to counseling and more complex mental health needs. Fast access, compassionate care and ongoing follow-up.

- 24/7 Emotional Support
- Counseling
- Care Navigation
- Workplace Support
- Peer Support
- Critical Incident Response

Put better mental health support in your employees' pockets.

REVIVEHEALTH.AI

revive

Access is where most mental health benefits stop.

Revive gets employees into care and keeps them there. No referrals. No long waits.

That's why 88% who start care keep going.

SUPPORT MEMBERS ACTUALLY FEEL

"Service was fast and efficient.. It was excellent having a therapist who has dealt with PTSD before."

— Verified Member

Mental health that fits your organization.
